

***Pennsylvania Association  
of Resource Conservation and  
Development Councils***

**2010 Plan of Work**

**Vision Statement** – Respected for improving the quality of life in the Commonwealth

**Mission Statement** - Support the Commonwealth’s Resource Conservation and Development Councils by developing and strengthening partnerships at the state and national levels.

**Administration**

**Goal #2**

Improve the operation of the PA Assoc. of RC&D Councils by June 2010

Objective #1

Determine PA Assoc. of RC&D Councils’ roles and responsibilities by May 2010

Strategy:

- a) Review and revise existing PA Assoc. of RC&D Councils’ roles and responsibilities descriptions as needed by March 2010

Objective #2

Adopt meeting template by January 2010

Strategy:

- a) Develop meeting format, define purpose of meetings, and create meeting schedule by November 2009

## **Funding**

### **Goal #1**

Secure adequate funding to provide for continuous long-term operation of the PA Assoc. of RC&D Councils by September 2010

#### **Objective #1**

By September 2009, identify projects and other sources of funding that can sustain the PA Assoc. of RC&D Councils

Strategies:

- a) Survey membership for their projects and Strategic Plan Goals by May 2009

Action Items:

- 1) Develop survey tool by January 2010
- 2) Distribute and complete Council surveys by February 2010
- 3) Populate matrices of existing and potential Council projects, and Councils' goals by March 2010
- 4) Evaluate results by April 2010

- b) Research other potential funding sources by July 2010

#### **Objective #2**

Secure financial support for the PA Assoc. of RC&D Councils through outreach by December 2011

Strategies:

- a) Determine social capital resources available thru individual Councils' Directors that pertain to identified funding opportunities by April 2010
